About SBCET

Sri Balaji College of Engineering & Technology (SBCET) is being patronized by Sri Balaji Shiksha Samiti, Jaipur. SBCET has been serving under the visionary leadership of Er. Bhagirath Poonia.

SBCET Jaipur was established in year 2000 with due approval by All India Council for Technical Education (AICTE), New Delhi and affiliation with Rajasthan Technical University (RTU), Kota for Bachelor and Masters Courses in Engineering.

The Campus, well known in North India for imparting quality education in the field of Engineering and Technology, has been offering M. Tech. and B. Tech. in Computer Engineering, Electrical Engineering, Mechanical Engineering and Civil Engineering and M.C.A.

Conference Objectives

- To provide a platform for national relationships among the researchers involved in Engineering & Technology.
- To provide publication opportunity in the journals without any Plagiarism.
- To provide a conducive environment for the participants to share experiences in Engineering & Technology field.
- Opportunity to meet with plenary speaker's the world leading thinkers and innovators in the field.
- It enables triggering minds among the parties involved.
- To provide opportunities to form partnerships among research participants.
- To expand the field of Engineering and Technology at the global level.

With the main theme as "Recent Innovations in Engineering, Science & Technology", the conference will cover important issues in Engineering, Science and Technology under various sub-themes.

Sub Themes

- Parallel & Distributed Computing
- Block Chain
- Big Data & Data Mining
- Machine Learning Deep Learning
- Artificial Intelligence
- IOT & its applications
- Data Science
- Cyber Security
- Data Pre-processing & Data Analysis
- Recent Trend in Power Electronics
- Smart Electric Vehicle
- Photovoltaic Specialist
- Smart grid and Renewable Energy System and Sources.
- Pavement Materials
- Traffic Engineering & Retrofitting of Structure
- Biodegradation of Industrial Waste
- Role of AI in Electrical Engineering
- Fault Detection techniques
- Energy Management
- Fluid Dynamics
- Industry 4.0
- Thermal & Design Engineering
- Heat & Mass Transfer
- Product design & Development
- Sustainable Manufacturing
- Manufacturing System Engineering

Guidelines for Submission of Papers

Authors are requested to submit their research paper using in MS Word in IEEE format (http://www.ieee.org/documents/trans-jour.docx) at <u>etest2020@sbss.ac.in</u>. Paper should have an abstract of 200 words, 4-6 keywords, figures, diagrams, tables, graph and reference in prescribed format and full length of paper should not exceed more than 5 pages (including references). Authors have to follow the dates as mentioned.

Publication

Out of all papers received for the Conference, a limited number of high quality papers will be published in a CARE listed UGC approved journal, but with an additional fee. A few best papers will be published in a Scopus listed journal.
