### About SBSS

Sri Balaji Group of Institutions is being patronized by Sri Balaji Shiksha Samiti, Jaipur. Sri Balaji Shiksha Samiti has been serving with a motto of 'Educating Humanity' under the able and visionary leadership of Er. Bhagirath Poonia and Mr. Jagdish Poonia.

### About SBCET

SBCET Jaipur was established in year 2000 with due approval by AICTE, New Delhi and affiliation with RTU, Kota for Bachelor and Masters Courses in Engineering. The College has been offering M.Tech. and B.Tech. in Computer Science Engineering, Artificial Intelligence, Electrical Engineering, Mechanical Engineering and Civil Engineering and M.C.A.

### About the Department of Civil Engineering

The Department of Civil Engineering was established in the year 2004. Civil Engineering is a broad field of engineering that deals with planning, construction and maintenance of fixed structures, transportation and environment, as they are related to earth, water, civilization and their processes. Our programs in civil engineering are to prepare students to become professional in engineering and academic researchers who can study and solve engineering problems.

### About the Seminar

Main purpose of the seminar to educate students about the critical role that engineering plays in achieving sustainable development goals by using self compacting concrete. The seminar would provide an opportunity for experts in the field of sustainable transportation to discuss and share their knowledge and insights on how engineering can contribute to the creation of country infrastructure

### Scope and Objectives of the Seminar

Self compacting concrete is demand of new generation because it required less skilled labour, provide consistent concrete quality, adequate for densely reinforced concrete and more benefitable compare to ordinary concrete.
